2 - 6 September

europaean mineralogical
conference
frankfurt / main
germany

The first European Mineralogical Conference will take place at the Goethe University in Frankfurt am Main, Germany, in September 2012.

The conference is being organized by Gerhard Brey and Heidi Höfer on behalf of the participating mineralogical societies and will cover a broad range of themes, including the following:

**THEMES
OF
emc²⁰¹²**

- 1 Mantle petrology and geochemistry
- 2 Magmatism and volcanology
- 3 Metamorphism
- 4 Applied mineralogy
- 5 Mineral physics
- 6 Mineralogical crystallography
- 7 Planetary materials
- 8 Mineral deposits and raw materials
- 9 Low T geochemistry
- 10 Geochronology
- 11 Geobiochemistry
- 12 Advanced analytical techniques
- 13 Archaeometry, care and preservation
- 14 Open session

- | | |
|---------------|---|
| DMG | Deutsche Mineralogische Gesellschaft |
| MinSoc | Mineralogical Society of Great Britain & Ireland |
| öMG | Österreichische Mineralogische Gesellschaft |
| PTMin | Mineralogical Society of Poland |
| RMJS | Russian Mineralogical Society |
| SEM | Sociedad Española de Mineralogía |
| SFMC | Société Française de Minéralogie et de Cristallographie |
| SIMP | Società Italiana di Mineralogia e Petrologia |
| SSMP | Swiss Society of Mineralogy and Petrology |

There will be a series of invited lectures, notably including the acceptance speech of Prof. D.H. Green, recipient of the IMA Medal award.
